

MASTERY GOLF PERFORMANCE

Mastery Golf Performance: Assistant /Full Time Coach

OVERVIEW

Mastery Golf Performance is an indoor golf studio specializing in golf instruction on Hilton Head Island, SC lead by one of the top ranked coaches in the country. Our facility targets dedicated golfers looking to take their games to the next level. MGP opened late April of 2022 and will already be expanding our space due to demand. We currently offer 3 hitting bays, soon to be 6, with the potential to be 7. Our studio offers Trackman, Foresight, Swing Cat, Boditrak, Capto, and video technology in each of our bays. We also have a putting green, short game area, and entertainment space. We offer instructional and practice programs to our 120+ members.

ESSENTIAL RESPONSIBILITIES

MGP is looking for an additional Assistant Teaching Professional that will ideally become a Full-Time coach after certification. We have tiers for our coaches based on experience, certification process, and need at the studio. We're looking for dedicated, passionate, and hungry coaches looking to become the best golf coaches in the industry! The ideal candidate must demonstrate a willingness to constantly learn, improve, and grow in all aspects. They should also provide excellent customer service, quality instruction, and strong time management/multi-tasking skills. You will also prep monthly reports, setup and breakdown daily, and help with private events. Interpersonal skills will be crucial for the candidates success as they'll be dealing with our large member base and be a crucial piece in growing that membership. This opportunity would allow a hard working coach to make over \$100k eventually as they move through our certification levels. Daily responsibilities will be sent to those interested in the position.
